## Annual Report Feedback Committee 2020-2021

### Feedback report on curriculum

The college follows the curriculum set down by the board of studies of Punyashlok Ahilyadevi Holkar Solapur University, Solapur some of faculty members are a part of the BOS and become a part of receiving and framing the syllabus. Online feedback on curriculum are collected from students, teachers, alumini, employers and are reflected through BOS to University.

The IQAC is made available online feedback form to collect feedback on syllabus by Students, Alumini, Teachers and employers the college has constituted feedback committee comprises four faculty members the feedback committee conducts feedback on syllabus of each program and each course. The questionnaires are drafted by the feedback committee. The feedback is categorized in Five category such as strongly agree, agree, not sure, disagree, strongly disagree. Students are asked to grade the asked questions on syllabus. Feedback committee submits analysis report to principal and head of the department for the action. This report is used to understand the strengthens and weakness of the syllabus drafted by University. Accordingly necessary steps to be taken are suggested as well as discussed by the principal. Suggestion boxes are kept for informal feedback from Students, Alumini, Teacher and Employers. The analysis report is also discussed in meeting of IQAC and head of the department's. Each head of the department are then asked to write an action taken report about the changes brought by them

### Action taken

- 1) Furthermore feedback data is mailed to all head of the departments and are informed to take action on feedback about syllabus.
- 2) feedback responses of some of the departments are less in numbers head of all such a department are inform to increase the number of responses of students by creating awareness among the students
