

Baburao Patil College of Arts and Science Angar have rather in significant role in curriculum designing and development. We adopt the curriculum overview provided by Punyashlok Ahilyadevi Holkar Solapur University, Solapur. We operationalize the curriculum within the frame provided by Solapur University that is our college visualise the way curriculum has to be carried out different activities by following academic calendar and time table which is framed by time table committee. The annual academic calendar has been designed at beginning of academic year and displayed on College website time to time. Distribution of workload has been followed by UGC norms. All faculty members from Art and science branch are NET, SET or PhD qualified.

We have displayed the defined program outcomes, program specific outcomes and course outcomes on College website. At every semester end the IQAC and Head of the departments collect syllabus completion report from every faculty member. For teaching we mostly prefer ICT-based teaching learning process as well as we also follow traditional talk and chalk method. In ICT based teaching faculty member shares their PPT, YouTube videos on WhatsApp group and frequently use of projector has been implemented. On the basis of covid-19 rules last year 2020-21 full academic year carried through online teaching with zoom platform and Google classroom. College always support curricular and extracurricular activities department of English and Marathi organised an essay competition who supplements the co-curricular and extracurricular activities.
