1.1.2

Punyashlok Ahilyadevi Holkar Solapur University, Solapur declares date for beginning of the term and end of the term. But last year due to covid-19 pandemic the academic year is much shorter so every time University gives extended dates of beginning terms and end of the terms. University also declares a list of holidays and probable dates of examination in advance, according to that days college decide the tentative dates of internal examinations but at last year internal evaluation by various departments collected via Google class room and different events activities and task followed by academic calendar comparison with University dates.

The calendar is proposed by institution and displayed on college website. Some important functions were organised by different committee chairman and head of the departments. Last year was pandemic year, so many of the functions were organised through online class via zoom and Google classroom platform for example internal test and internal assignment are provided and collected through Google classroom. All these programs was organised in accordance with academic calendar at the beginning of the term every faculty designs their own teaching plan and tries to follow the academic calendar in this process IQAC kept a constant follow-up of activities, events and schedule of the internal evaluation following the academic calendar.
