

Curriculum Vitae

A) 1. General information

- a) Name: **DR. CHANDRAKANT SHRIPATI SURYAWANSHI**
- b) Address:
- i) Residential- Gurukrupa, Ganeshnagar Kurul Road, Mohol,
Tal. Mohol Dist. Solapur
Phone- 9420769422
- ii) College- Baburao Patil College of Arts and Science, Angar Tal.
Mohal, Dist. Solapur Pin-413214.
Phone- 02189248666
- E-mail- csuryawanshi2@gmail.com, bpcasangar@gmail.com
- Website- <http://www.bpcasangar.edu.in>
- c) Date of Birth: - 24-11-1968
- d) Subject: - Botany
- e) 1.Date of appointment as Principal: 01-12-2010
2. Total experience as Principal- 13 year
- f) Date and & reference no. of university approval letter as Principal-

- i) Whether recognized as a Ph.D. Guide: - Yes
University reference letter and date: No.SUS/BCUD/PGBUTR/12434
Date: 16/03/2015
- ii) No. of research students working: - 05

2. Publications: -

Sr. No	Title of the Paper	Name of Journal with ISBNB/ ISSN	Author	Edited	Publisher	Year of Publication
1.	Areobiological Survey on Soyabean crop field at Naldurg at Osmanabad (MS)	Thematic Journal of Botany ISBN 978-93-83192-47-2	C.S. Suryawanshi	V.K. Patil	Thematis publication	2014
2.	An Observation of Fungal species from regularly used pulse	Role of life form in controlling pollutions ISBN 978- 93-83389-79-7	C.S. Suryawanshi	----	Aruna prakashan, Latur.	2013
3.	Aerobiological investigation over Groundnut (Arachis Hypogaea) filed at Murum Dist.Osmanabad (MS) India	Thematic Journal of Botany ISSN-2250-379X	C.S. Suryawanshi	R.S. Bajgire	Thematis journal of Botany Vol.I Issue4,	2012
4.	Aerobone Fungal Spore Composition at Loknete Sugar Industries, Solapur	Indian aerobiological society ISSN No. 0971-1546	C.S. Suryawanshi	B.E. Rangaswami	Indian Journal of Aerobiology V01.27No.1 &2, 2014	2014
5.	Phytoplankton Diversity at Benetura Reservoir from Murum, Dist.Osmanabad (MS)	Thematic Journal of Botany ISSN 2250- 379X	C.S. Suryawanshi	----	Thematis Publication pvt. Ltd. First Edition 2014	2014
6.	Aerobiological Survey on Soybean Crop Field at Naldurg Dist. Osmanabad (MS)	Indian aerobiological society ISSN 2250- 379X	C.S. Suryawanshi	Anita Mudkanna	Thematis Edition 2014	2014
7.	Present and Future Status of India	ISBN:978-9385026- 02-7	C.S. Suryawanshi	---	Atharva Publication Jalgoan	2015

8.	Applications of amino acids, humic acids and seaweed extracts on Pomegranate (<i>Punica granatum</i> L.) plants to increase yield organic carbon in soil and uptake nutrients.	Advances in Bioresearch E-ISSN: 2277-1573	C.S. Suryawanshi	Dr. Manish Kumar	--	2023
----	---	--	------------------	------------------	----	------

3. Membership of academic bodies /committees at University Level: -

1. Associate Dean, Science & Technology of Punyashlok Ahilyadevi Holkar Solapur University, Solapur.
2. Research Guide in the subject Botany of Punyashlok Ahilyadevi Holkar Solapur University, Solapur.
3. Chairman of various Research Students Open Defense Viva - Punyashlok Ahilyadevi Holkar Solapur University, Solapur.
4. Member of Academic Council- Punyashlok Ahilyadevi Holkar Solapur University, Solapur.
5. Member of Board of Studies- Punyashlok Ahilyadevi Holkar Solapur University, Solapur.
6. Member of Board of Examination - Punyashlok Ahilyadevi Holkar Solapur University, Solapur.
7. Member of Board of Dean
8. Chairman of Academic Research Score Committee - Punyashlok Ahilyadevi Holkar Solapur University, Solapur.
9. Various Colleges and Research Centre Affiliation committee member in Dr. B. A. M. U. Aurangabad and Solapur University, Solapur
10. University selection committee member.
11. Scrutiny Committee Member.
12. Subject expert on placement committee (CAS) in various colleges.
13. Subject expert on Research Recognition Committee (RRC) committee member.
14. Member of Distribution of Research Committee (DRC)
15. 15. Member of National Education Policy frame work committee.
16. Chairman of open defense of Viva Voce.
17. Chief Guest and chairperson for national seminar on various colleges.

18. Chief Editor of college magazine.
19. Chief convener of National seminar of Chemistry and Botany department.
20. Chief convener of National seminar of History and Geography department.
21. Member of joint chief superintendent for conducting exam various colleges.
22. Member of paper assessment.
23. Member of practical examination in various colleges.
24. NSS coordinator.
25. Life member of Indian Aerobiological Society. 26. Co-ordinated for compulsory computer course.
27. Administrative Experience at University & College level:- 11th years.
28. Environmental awareness ambassador for Angar Nagar Panchayat, Angar, Tal. Mohol, Dist. Solapur

4. Details of Seminar, Conference, Workshop, Symposia etc. participated.

Sr. No	Seminar, Conference, Workshop, Symposia Attended	Presented Papers	Delivered keynote address	Chaired as a session
1	9th National Conference on Aerobiology	Yes	-	-
2	10th National conference on Aerobiology	Yes	-	-
3	NAAC Process of Assessment & Accreditation	-	-	-
4	Biotechnological Approaches Towards the Integrated Management of crop diseases	Yes	-	-
5	NSS Program Officer workshop	Participated	-	-
6	Frontiers in Plant Diseases: diagnosis and Management	Yes	-	-
7	Biodiversity and Conservation of Nature and Natural resources	Participated	-	-
8	Scope and Limitations of revised syllabus	-	-	-
9	16 th National Conference on Aerobiology	Yes	-	Chaired of Session
10	Frontiers of Plant Sciences for sustainable Agriculture and Rural Development	Yes	-	Chaired of Session
11	32nd Annual Conference on Higher E. for Sustainable Development in the Changing world.	Participated	-	-
12	New University Act. 2011 state level conference	Participated	-	-

13	UGC and Govt. of Maharashtra implementation of Scheme workshop	Participated	-	-
14	17th National conference of Indian Aerobiology Society Pune	Yes	-	Chaired of Session
15	Biodiversity; Prospects and Potentials	Participated	-	-
16	Challenges in the governance of higher Education	Participated	-	-
17	Water Pollution and Solid Waste Management for Natural resources conservation	Yes	-	Chaired of Session
18	Plant Pathology	Yes	-	Chaired of Session
19	Commission for scientific and technical terminology	Yes	-	Chaired of Session
20	Role of Life forms in controlling pollution	Yes	-	-
21	Recent Trends and Challenges in Science and technology	Yes	-	-
22	National conference on life science	Yes	-	-
23	New system workshop	Yes	-	-
24	Role of NAAC in Quality Enhancement of Colleges	Yes	-	-
25	Frontiers in Plant Diseases and its Control for Agricultural Development	Yes	-	Chief Guest
26	Present scenario and future Challenges of Autonomous Colleges	Participated	-	-
27	Quality administration in Higher Education	Participated	-	-
28	NPTEL Workshop at WIT Solapur	Participated	-	-
29	20 th National Conference of Aerobiology 2018	Participated	-	Chaired of Session
30	Understanding Revised Assessment and Accreditation Methodology of NAAC	Participated	-	-

5. Details of Seminar, Conference, Workshop, and Symposia etc. organized.

i) By the applicant as a Principal Organizer:-

State/ National		Title	Duration	No. of Participants	Total Expenditure
Seminar	National	“Advance Technologies in agriculture and Animal husbandry”	01day	73	20,000/-
Seminar	National	“Modification Degradation &stabilization of polymers”	01 day	160	30,000/-
Seminar	National	“Medicinal plant Research-Challenges and prospects”	01 days	43	15,000/-
Seminar	National	“ Scope in interdisciplinary Science”	01 days	94	100,000/-
Seminar	National	“Social science, Research methodology and new approach”	01 days	100	70,000/-

6. Teaching Experience- 26 Years

B. Involvement in Innovative/ Community service/Student Development through NSS, NCC Programs:- Attached on Separate Sheet.

1. The college has two separate units of NSS which conducts the different social awareness programs.
 - a) Extension work: - The College has a separate lab of soil and water test which provides facility of soil testing in very low budget. After soil testing by observing the report as botanist we guide the farmers for the taking of crop pattern and use of seeds and fertilizers.
 - b) Effort to bring the communal harmony:- Attached on Separate Sheet.
 - c) Environmental problems, Water harvesting, clean and green campus
 - Now days the number of environmental problems are emerging to overcome that problems we are constantly taking some actions, every year we are celebrating the environmental awareness week from department of NSS and make are the students and society about environment.
 - The NSS department conducts the camp at near-by rural area organizes a different activates like rally of environment awareness.
 - In our college to overcome the problem of electricity we have installed a solar panel system for bore-well.
 - The college campus is spread in an about 16 acres of area so that to make that campus clean and green every year we conducts a tree plantation activity.

- The college campus contains about 500 different plants. ➤ Every year we also conduct a green audit of college.

d) Efforts have been made to help students to achieve their potential-

- For the slow learners we make separate time table and conducts a bridge course.
- For the advance learners also we make separate time table and conducts extra classes to make them versatile in all field or subjects.
- Every year on the 1st august on the occasion of Loknete Baburao (Anna) Patil birth anniversary we are conducting blood group donation camp
- Every year on the 28th Feb on the occasion of science day we conducting a blood group detection camp for all students.
- To empowering the women the college has established a separate Women's Development cell. Through woman's development cell every year we conducts different programs like guest lecture of gynecologist on the topic health awareness to make the women health conscious.

e) Mentoring efforts for teachers –

- To make the teacher well trained with respect to time every year we conducts an ICT based workshop for teachers.
- We also motivate the teachers for participation in different national and international conferences, seminars and workshop etc.
- We also relieve them for participation in orientation and refresher and short term courses.

f) Mentoring efforts for non-teaching staff-

- To make the non-teaching staff well trained with respect to time every year we conducts a training programs.
- We also motivate them to participate in short term training programs.

7. Participation in corporate life

a) Co-curricular activities

1. Every year the college students participate in the youth festival organized by the university.
2. The college sport team participates in university, state and national level sport events organized by different universities and institutes.
3. Every year the college students participate in the research festival i.e. in the Avishkar organized by the university or different college

b) Students welfare and discipline –

1. To fulfil the discipline among the students the college has decided a dress code for students.
2. For student welfare we conduct a different guest lecture of imminent personalities.

c) Have you run a CAP in college-?

We have conducted a college level CAP for B.Sc-I year B.A-I only in Oct-2018.

d) Have you organized Major Sport events organized by college? Give details.

Every year college organizes the different sports still date the college has organized a following events

1. Inter collegiate shooting holly ball competition in 2017-18.
2. All India inter-university wrestling free style (Girls) competition practice camps-2017.
3. All India inter-university wrestling (Girls) competition practice camps-2017
4. Solapur University Inter collegiate boxing competition in 2016-17. e)

Innovative practices

- College conducts the two innovative practices for students. This innovative practice is “**Virtual Bank**” which is based on the concept of banking and second is clean campus and green campus.

f) Cell for lady students

- The college has two separate lady cells first is women's development cell and Grievance and redressal cell.
