

## **Placement Cell**

### **➤ Constitution of the Placement Cell**

A placement cell has been constituted by the college. The principal of the college is the chairman of the placement cell and few of the teaching faculties both from Arts and Science streams are the members of the cell. One of the members is designated as Convener of the cell.

The committee is formed with the aim to interact with the industries and employers, find out job opportunities and make the students aware of them. Placement cell facilitates the process of placement of students in various companies. Placement cell works for Undergraduate students.

### **➤ Student Selection Process**

Students are informed about the job opportunities in various ways. If the job profile is suitable for all the students, the information is posted on college notice board. If the job profile is suitable for the students of only few of the departments, then the notice is sent to the respective departments for displaying on the notice board.

Now a day's most of the companies send registration link on their website. Students need to go through the job description and if they fulfill the given criteria then they can register for the job profile. Once they register for the same, further communication takes place between the students and the employer.

A student has to go through several steps like written tests, group discussion and interviews in the placement drive. Candidates passing through all the steps are entitled for getting an offer letter. Some of the companies also prefer to do this entire process of selection in college campus itself.

### **➤ Placement Team**

Composition of the placement committee is as follows

- Principal
- One of the members is designated as Convener.
- Teachers from both Science and Arts Streams are the members
- Member from student representative
- Member from Library
- Secretary from office

## **Year Wise Activity Reports:**

# **Placement Cell Annual Report 2018-19**

**Placement Cell activities for 2018-2019 started early in July-2018 which comprises of the following**

- The placement preparation for the students starts off early in the third year for the undergraduates as the students have to mandatorily undergo a campus recruitment training (CRT course). This course comprises of quantitative aptitude, logical reasoning, verbal ability and soft skills training which ensure that the student is prepared for the 1st round of the placement process.
- Career counseling sessions (number of sessions are based on the student's requirement) are provided to students to help them identify their career path and also ensure that they are focused in the right direction with regards to their career based on their caliber, scores, interest areas and long term forecasting.
- Career guidance sessions by the industrial experts which include the senior manager and leaders from the corporate world.
- There were campus ambassador programs which are encouraged by the placement cell, where the students get an opportunity to visit the company after the selection process is conducted by the company and also these students have various training programs conducted by the company.
- The campus ambassadors organize various training programs for other students at college (excel, soft skill session, motivation talks etc) and also brand the company for which they are selected for on campus, which gives an opportunity for the students to understand the company's strategies and implement the same.

- There were scholarship competitions that are organized by various companies which are encouraged by placement cell, where the students get an opportunity to compete (presenting business plan) and win a cash award and also an internship with the company for a period of two months.
- Fellowship talks were provided by Fellowship organizations to bring about awareness about fellowship programs and interested students participate in the same.
- Placement cell organized job description explanation sessions, resume writing, mock group discussion and mock interviews to enhance the confidence of the students to face the placement process of various companies and Bank sector.
- The Placement Cell supported the Companies in presenting their Pre-placement Talks and in conducting tests and interviews in the College Campus.
- We are very happy and pleased with the support we receive from the companies. The companies are interested in Industry-Institution interface. The placement officers also attend placement coordinators' meet convened by leading companies for the select few colleges.

## **Placement Cell Key Highlight of 2018-19**

- Placement & Training student union was started for the 1st time at **Baburao Patil college of Arts and science, Angar** to enhance the connectivity between placement cell and students of Arts and Science streams.
- First Placement Newsletter was published at **Baburao Patil college of Arts and science, Angar** to bring about awareness of various activities conducted by placement cell.
- Mock group discussions, resume writing, mock personal interviews were conducted to enhance students ability to face the corporate world.

- Internship opportunities for students were provided with companies and Banking sector such as Arati Industries, Kotari Agritech and Gleanmark etc...and Global bank such as ICICI Bank, Kotak Mahindra UBS....etc

**Salary Package offered...**

Minimum 1.44 lakh to maximum 1.88 lakh per annum packages.
